KIAWAH ISLAND

FOR THE SPORTING LIFE, FOR THE SOCIAL LIFE,  
EAGLE ISLAND INVITES YOU IN.

## EAGLE ISLAND

As an enclave set within Kiawah's most private club community, Eagle Island shares the world-class amenities of Cassique. As an island all its own, the neighborhood shares remarkable vistas with no one. Surrounded on every side by water, Eagle Island offers the first south-facing, long-marsh, Atlantic views in Cassique. Sunrise and sunset boast equal billing here, where the whisper of the ocean can be heard throughout the day. A members-only dock offers kayak access to the serenity of the Kiawah River and the majesty of the Atlantic Ocean. And the amenities of Cassique offer a world of sporting and social pursuits to every resident.

## CASSIQUE

Tom Watson. Tom Colicchio. From golf to gourmet, Cassique's offerings promise a five-star experience. Conquer the rolling dunes of Watson's links-style Cassique course or meet friends at Voysey's for *Top Chef* Colicchio's cuisine. Take to the saltwater pool or the acclaimed tennis complex at the Sports Pavilion. The stately, 9,000-square-foot venue brings state-of-the-art flair to fitness.

## THE KIAWAH ISLAND CLUB

The Kiawah Island Club welcomes you to an exclusive array of outstanding amenities. The Beach Club, set along Kiawah's most breathtaking stretch of beach, features three swimming pools and sumptuous dining at Tides. On Tom Fazio's River Course, 18 holes of challenging golf unfold across a lush, scenic landscape. The social scene flourishes at the River Course Clubhouse, an architectural marvel featuring a pub and grille, men's and women's lounges, a ballroom, a fitness center, and red clay tennis courts. And for residents intent on more pampering pursuits, Sasanqua Spa specializes in the everyday indulgence.

## FRESHFIELDS AND CHARLESTON

Southern charm and Island style are on full display at Freshfields Village, a brief walk or bike ride from the neighborhood with a bustling array of boutique shops, tempting eateries, services, and entertainment, Freshfields' open-air venue adds a breezy convenience to life at Eagle Island. And for a distinctly urban experience, historic Charleston is just 21 miles away. Along cobblestone streets, beneath canopies of Spanish moss, the celebrated shops, museums, theaters, and dining of The Holy City have helped earn its ranking as "Top Small City in the U.S." by *Condé Nast Traveler*.
